4. Restrictions on dealing

Relevant Persons may not execute transactions involving the financial instruments listed in these regulations, *inter alia* by means of an intermediary, on a proprietary basis or on behalf of third parties during the 30 days prior to the date on which the Board of Directors approves Mediobanca's annual report or interim (half-yearly or quarterly) financial statements (the "Black-out Period"), or in cases where such Relevant Persons have been entered in insider or watch lists for transactions involving Mediobanca. The ban also applies to a shareholder which owns an interest of at least 10% of the share capital, if its Directors and/or Statutory Auditors include representatives appointed from a list deposited by the same shareholder.

Such prohibition ceases to apply as from the working day following the issuance of the relevant press release.

Furthermore, without prejudice to the specific restrictions in force under the Regulations of the stock option or performance share schemes in force at the time:

- In the case of the Chief Executive Officer, Group General Manager and Head of Company Financial Reporting:
 - When performance shares are assigned, the sell-to-cover mechanism is automatically applied (i.e. shares sufficient to cover the taxes payable are sold);
 - Stock options may only be exercised during the window period, i.e. during the fifteen open market days after the results for the period concerned have been published (annual, interim and quarterly financial statements);
 - Trading of financial instruments with equity content involving Mediobanca shares is permitted exclusively during the window period, i.e. during the fifteen open market days after the results for the period concerned have been published (annual, interim and quarterly financial statements).
- In the case of the other *relevant persons* as defined in section 1, letter b, points I. and II.:
 - When performance shares are assigned and if the recipients concerned are included in insider lists or in the Mediobanca transaction watch list, the sell-to-cover mechanism is automatically applied.

The other restrictions deriving from inclusion in insider lists or in the Mediobanca transaction watch list continue to apply.

The Board of Directors of Mediobanca shall be entitled to identify further periods and circumstances in and under which such transactions shall be subject to restrictions and conditions, by giving immediate notice to such effect to the Group Corporate Affairs office of Mediobanca and to Relevant Persons. In such cases, Relevant Persons may start trading on the working day following the end of the identified period or the issuance of a press release.

Should the Bank activate a share buyback programme, Relevant Persons may only sell Mediobanca shares in the opening or closing auction phases for the whole period in which the programme is in place, in order to avoid cross-trades with the Bank. To this end, the Group Corporate Affairs office of Mediobanca informs the Relevant Persons of the beginning and the end of such period.

5. Exceptions to allow trading during a black-out period

The Chairman of the Board of Directors, having consulted with the head of the Compliance unit, may authorize relevant persons, in writing, to trade on a proprietary basis or on behalf of third parties during the course of a black-out period:

- . Following assessment to be made on a case-by-cases in exceptional conditions, such as serious financial difficulties which require the immediate sale of shares; or
- . On account of the characteristics of the trading in cases involving transactions made as part of or in relation to a staff share ownership or savings scheme, in cases where requirements are being complied with or rights linked to shares exercised, or again in cases involving transactions in which the beneficiary's interest in the stock in question is not subject to changes.

The Chairman of the Board of Directors may be authorized in writing by the Chief Executive Officer, having consulted with the head of the Compliance unit, to trade on a proprietary basis or on behalf of third parties during the course of a black-out period in the cases described in the last paragraph.

Applications, suitably justified, must be addressed in writing to the Group Corporate Affairs office of Mediobanca.

6. Sanctions

For administrative measures and sanctions contemplated in instances of failure to disclose the information described in the preceding paragraphs, reference is made to Article 193 paragraph 1 of the Italian finance act (fines ranging from €5,000 to €2,000,000).

In addition to the provisions of paragraph 1 of the said Article, and without prejudice to Mediobanca's entitlement to claim for any damages and/or liability deriving to it as a result of breach of the Regulations, failure to comply with reporting requirements or dealing restrictions may result, for staff members, in the application of disciplinary measures provided for under contractual regulations currently in force, whereas for other relevant persons, the Board of Directors itself reserves the right to approve measures to be adopted, which shall be commensurate with the gravity of the breach thus committed.

7. Notices to Relevant Persons and to persons closely associated with Relevant Persons

The Group Corporate Affairs office of Mediobanca informs Relevant Persons that they have been included on the list of Relevant Persons, and of the obligations and restrictions ensuing from such inclusion. It is the responsibility of the Relevant Persons to notify persons closely associated with them (cf. section 1 letter c.) of the existence of the terms and conditions under which such persons are bound to comply with the reporting requirements provided for by the Regulations and to keep a copy of such notification.

8. Updates to the Regulations and list of Relevant Persons and of persons closely associated with them

The Group Corporate Affairs office, after consulting with the Compliance unit, is responsible for updating the Regulations, submitting any amendments and additions to the Board of Directors.

The Group Corporate Affairs office regularly checks and updates the list of Relevant Persons and persons closely associated with them, without prejudice to the Board of Directors' remit to identify strategic management as provided in section 1, letter b point II.

9. Acceptance of the Regulations
