

MEDIOBANCA

## PRESS RELEASE

# MEDIOBANCA AMONG THE BEST ESG-RATED COMPANIES IN THE SUSTAINALYTICS RANKINGS

Mediobanca has been included in the annual Sustainalytics ESG Risk Ratings compiled by Morningstar, which recognize companies that have distinguished themselves in ESG terms in 2022 by developing and implementing responsible investment strategies.

Morningstar Sustainalytics is a global leader in ESG research, covering more than 15,000 companies in 42 different sectors, identifying the top 50 performing companies worldwide, broken down by sector and region.

*"Identifying a pathway for sustainable growth has been one of the priorities of our Group's 2019-23 Strategic Plan, and will define the objectives for the new Plan to take us through to 2026, **said Alberto Nagel, Chief Executive Officer of Mediobanca.** The Group's increasing ESG commitment is geared towards improving transparency, encouraging sustainable investments, and offering solutions that facilitate the transition towards an economy that is more sensitive to the need to safeguard the environment, to consume resources more responsibly, and to mitigate social inequalities".*

Mediobanca's inclusion in the Morningstar Sustainalytics ratings is confirmation of the Group's commitment in 2022 to integrating environmental, social and governance criteria into its decision-making processes, with the objective of creating value for all stakeholders over the long term.
